

SHAW + SMITH

SHAW + SMITH

Beginnings: Established by winemaker Martin Shaw and Master of Wine Michael Hill Smith in 1989.

Winemakers: Martin Shaw and Adam Wadewitz.

Vision: To make exciting, refined wines exclusively from the Adelaide Hills that reflect our sites and climate.

Vineyards: Shaw + Smith own two vineyards in the Adelaide Hills, at Balhannah and Lenswood, totalling 55 ha. The vineyards are planted to varieties that perform particularly well in the region, namely Sauvignon Blanc, Chardonnay, Pinot Noir, and Shiraz.

Winery & Tasting Room:
136 Jones Rd Balhannah SA 5242

2016 LV CHARDONNAY

Style: A fine boned Chardonnay that reflects the conditions of the vintage and the character of this unique vineyard site.

The 2016 has subtle flinty aromas and a powerful and complex palate with structure and fine grapefruit-like acidity.

Vintage: September's start to the growing season was warmer than average leading to good canopy and fruit development. January rainfall provided relief from earlier warmer temperatures and was timely to aid fruit development through the ripening period, resulting in healthy fruit being harvested two weeks earlier than average.

Source: Sourced exclusively from Shaw + Smith's Lenswood property. Planted in 1999, the vineyard has east and west facing aspects and reaches 500 meters above sea level. The soil is brown loam over clay with some broken shale and stone ridges.

Vinification: Whole bunches were chilled overnight, then pressed, before fermentation in new and used 500 L French oak puncheons. The wine spent a further 10 months in barrel with gentle stirring.

Background: Since purchasing the vineyard in 2012, significant investments have been made to further enhance the site. It had always shown potential for a single site wine and in 2014 a small amount was selected for our first 'Lenswood Vineyard' Chardonnay.

Serve: A luxurious match with kingfish ceviche. Ideal temperature is 10-12°C.

Cellar potential: Will reward careful cellaring for up to 10 years.
